**Sunday Morning
Bible Study**

Sunday Morning Bible Study

The adult Bible study class continues at 9:45 a.m. each Sunday. We will continue to study "The Commandments of Jesus."

Men's Tuesday Morning Bible Study

Join our group of early-bird learners on Tuesday mornings at 8:00 a.m. in the fellowship hall. The group will continue the study of the scripture from the lectionary lessons assigned for the following Sunday. This Bible study group is looking at and discussing the Psalm, the Gospel, and the other lessons which will be used in the upcoming Sunday worship services. Contact Dick Peyer for more information at 910-579-5450.

Fellowship Time

On Sunday mornings from 9:30 to 11:00 a.m., we are offering a fellowship opportunity in the church narthex. Remain for a time after the first service just before the Sunday school hour in order to spend time getting to know one another. Come early for the second service and join others in a time of fellowship. Coffee and lemonade will be available on the Welcome Table for you to enjoy while visiting with fellow members and guests. Ask someone you don't know to join you for a cup of coffee and get to know them better.

*Welcome one another, therefore,
just as Christ has welcomed you, for the glory of God.*

Caring Ministry

Stephen Ministry

Want to Learn More about Becoming a Stephen Minister?

King of Glory will be training a new class of Stephen Ministers in 2012. For those who might be interested in being part of this class, ***we will be holding a Stephen Ministry information session in the Fellowship Hall on November 20th after the 11:00 worship service.*** There will be a short video, an overview about Stephen Ministry, and time for you to ask questions. This is a great opportunity to learn more about Stephen Ministry as you prayerfully decide whether this is the right ministry for you. If you are interested in becoming a Stephen Minister and can't attend the information session, talk with one of our Stephen Ministry Leaders: Brenda Sheffer at 843-280-5331, or Kathy Marks at 910-575-4686. Or, pick up a copy of the Stephen Minister Application from the church office. Fill it out and return it to the church office by December 1st. We will then schedule a time when you can meet with our Stephen Leaders so that you can learn more about the training and so we can learn more about you.

Becoming a Stephen Minister is a wonderful opportunity for you to grow in faith, develop stronger relational skills, and bring Christ's love into the lives of hurting people.

Service of Comfort

"Joy to the world, the Lord is come!"

The images and memories of Christmas most of us celebrate and treasure are these: brightly wrapped packages, Christmas trees, holiday parties, holly, the scent of pine, unending upbeat carols in shops and malls, visits with family and friends, baking and cooking, food everywhere, and the joy of welcoming a tiny infant into our world and hearts.

But each year some people – the grieving, the lonely, the unemployed, those who've experienced loss through divorce, depression, and many other challenges – dread the approach of the holiday season. ***A Service of Comfort*** has been prepared for you! Come for music, Scripture reading and a homily. Take time for yourselves. Come for comfort.

A Service of Comfort will be held at King of Glory on Monday, November 28th at 4:00 p.m. in the sanctuary. This service is sponsored by King of Glory's Stephen Ministry. All are welcome.

Nothing Works Like Prayer ... Amen to That!

I would like to extend all my heartfelt thanks and gratitude to my King of Glory family for all the prayers, kind thoughts and concerns regarding my brother Michael Winstead. Michael has just recently completed a thirty year career of active duty in the US Army which began with his education at West Point. With many deployments to overseas assignments it is with a huge sigh of relief to say he is no longer active duty military as of October 14th. Our family is finally able to exhale and say, "Thanks be to God!" for returning him safely to his wife, children, brothers, sisters, nieces and nephews. Thanks so much to all who kept our family and Michael in their thoughts, prayers and hearts over the past few years. There is nothing that works like prayer!!

God's Love and Peace to all my KOG family old and new. Paula Lawter

KOG Church Women

Starting in November the KOG Church Women will meet on the second Monday of each month. The November meeting will be held on Monday, November 14th at 11:00 a.m. If you have any questions, call Jeanne Manning at 843-272-6831. The KOG Quilters will continue to meet at 10:00 a.m. on Mondays and will be on site for the KOG Church Women meetings.

Our Youth in the Community

Friends, check out our swimming stars!

The North Myrtle Beach High swim team has done so well this season. There are several articles on the bulletin board in the hallway ... read about our youth and their swimming skills. And, guess who is coaching this year? Chris Long! "Cheer them on, or better yet, catch a meet!"

Pray for strength and healing for those in our KOG worshipping community ...

Social Ministry

The Shepherd's Table

Twenty-five meals were served at our last Shepherd's Table. Our next Shepherd's Table (the soup kitchen at Little River United Methodist Church) will be Friday, November 25th at 4:30 p.m.

And the king will answer them, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine you did for me." Matthew 25:40

North Strand Housing Shelter

Fourteen people received nourishment for their bodies and souls at the last dinner.

We are scheduled to prepare an evening meal for the folk who live at the North Strand Housing Shelter on the first Sunday of each month. We are always looking for volunteers to cook and/or serve these meals. Can you assist on December 4th.) Not able to help? Your gift of a gift card to be used to purchase food would also be appreciated. See our pickle jar in the narthex. Thank you.

If you would like to help any of our feeding ministries, please call Jeanne Millar at 843-249-6569.

Blood Drive Thank you to everyone who volunteered on October 4th to make this event a success. A special thanks to Lowes Food, Food Lion, Chic-Fil-A and Sam's Club for their food donations. King of Glory once again met the goal set by Red Cross! This drive received sixty pints of much needed blood. Think of the lives this will save!

Bags of Blessings Twenty-two bags of blessings with food and personal care items along with one bag of clothing were donated to North Strand Helping Hand in October. Many thanks for your generosity.

Pack-A-Thon On Saturday, October 15th from 2:00 to 4:00 p.m. seventeen members of King of Glory participated in the Second Annual Pack-A-Thon sponsored by Feed the Hunger. In the two hours we (along with other volunteers) packed 25,750 meals for shipment. The goal for the weekend was 150,000 meals. Almost 16,000 children die from hunger related causes everyday. Yet hunger is not a food problem but a food distribution problem. Feed the Hunger is helping by getting nutritious food to places with children desperate for food.

Thanksgiving Day **Come Ye Thankful People, Come!**

Will you be home alone for Thanksgiving? Do you know anyone in our church family who will spend the holiday alone? Instead of being alone, our Fellowship Ministry team invites you to our traditional Thanksgiving Dinner in the fellowship hall. If you have no transportation, no problem, we'll come and pick you up. If you would like to join us for dinner, call Jeanne Millar at 843-249-6569 to reserve your place at the table. Please call before November 21st, so we can plan accordingly. If you would like to help by bringing food, linen, décor, beverage or with the cost, call Jeanne.

Angel Tree

"Give of yourself as angels do and wonderful things will come to you." The angels are coming! Look for the Angel Tree after Thanksgiving. This is an opportunity to buy a Christmas gift for a child in our community.

Thrivent "Good News"

As of last year (2010) at this point in time, 114 Thrivent members directed \$6,981 to Horry County Lutheran organizations. So far this year (2011) 454 Thrivent members directed \$24,515 to Horry County Lutheran organizations (of which a good portion went to their respective churches.)

This year's number is amazing ... and I want to personally commend each of you for your efforts in making this happen ... and thank you so much!

Ministry Team Reports and Info

Christian Education The fall Sunday School program is in full swing. Alison Cook agreed to be the new teacher for our youngest children, the three to five year olds, and we thank her greatly for that. We continue to have limited participation in our school age children, but are blessed with good attendance of twenty to twenty-five in our adult class. The Tuesday men's Bible class is also blessed to have an average of seven to nine each week.

Stewardship We have now made an electronic transfer fund for giving offerings available to our members. The company handling this is Vanco. They have established this program for over 11,000 churches nationwide, working with Thrivent. The expense is minimal. Any member who wants to be a part of this program must provide their bank routing number and account number to Vanco, and each individual participating member will establish their own account details for giving with complete privacy. The cost for this is fifty cents per giver and is a one time expense to the church. Every time a transaction is generated by the member there is also a twenty cent charge to the church. The church pays all the expenses for this program, so that all your offerings go to the church. If you have any questions, contact Dick Peyer at 910-579-5450. (See the "Go Green" article in this newsletter.)

Evangelism Evangelism Ministry team met on October 4th. Pastor Cook, Gail DeMattio, Frank and Nancy Fleischer, Grace Spainhour, and Gil Sams attended. Progress continues on the new computers and website conversion. Minor website updates and corrections will be made in the near future. Plans for future upgrading, pictures and website links are pending. Budget planning for 2012 will be discussed in November. Evangelism Ministry team meets the first Tuesday of each month at 4:00 p.m. Anyone interested in helping share God's word and growing our congregation is welcome to attend.

Worship and Music Worship and Music Ministry team met on October 4th. Gil and Joyce Sams, Dahle and Chuck Barringer, Pastor Cook and Debbie Morris were in attendance. A Christmas Decoration Committee will be forming soon. If interested in helping on this committee, please contact Joyce Sams at 843-281-9814. Pastor requested that if anyone is available on Tuesday mornings at 9:00 a.m. to help Page Chambers with Prayer Partners to please let her know. What an important ministry to support!

Youth and Family Ministry The Youth and Family Ministry team met on October 5th. Present were: Gail DeMattio, Janet Quigley, Judith Oney, and Calvin Riley. The team discussed many topics and decided on the following action plans:

To cooperatively support two Fellowship/Youth December activities: Sunday, November 27th noon Advent workshop and Sunday, December 18th from 2:00 to 4:00 p.m. Veggie Tales Christmas movie.

To offer youth activities after the Advent meals on Wednesdays during worship time.

Plan a "Growing" focus for the new year learning season.

Catechism Class Update **Mark your calendars for November 20th, our next class, and ...**

Thanks for a great October class. The lesson about the Beatitudes helped us learn more about Jesus' teachings and Be-Attitudes. Our favorite activity was getting the "yuk" out of pumpkins and putting smiling faces on them for the light of the candles to shine through (and Macy separating seeds from _____). That was a real PARABLE! Parts of it? GOD, us, the yuk sin, smiles, and LIGHT. Can you put the parable together? Ask Aaron Bishop or Ava Norris or Macy Thomas to explain it if you'd like to hear more. We also were handy with spray paint, finishing our 35th Anniversary sign out front. Great work, and Mr. Frank's hands were only orange for four days :-). You are the light of Christ ... Shine on!!!

Kids of God Time during Advent Worship!

Parents and youth, please plan to come for suppers on Wednesday evenings during the Advent season (November 30th, December 7th and December 14th)! We will have activities for youth of all ages during the worship time after supper (about 40 minutes). We'll sing and create and all be "Kids of God" together. If you can (but not necessary), let us know the ages of children attending ...

Spiritual Footprints

Footprints of the Holy Spirit are everywhere. Amen

Recently, the Holy Spirit wanted us all to get to know our Christian School better, The Lord's Children, TLC. Rocky, our four year old Shetland Sheep Dog and KOG Catechism Class mascot, was called to interview the entire school. Rocky, our "Roving" Reporter, visited every class. Rocky learned that our King of Glory TLC is one of the oldest Christian schools in the area and has become the "standard" that other local schools are measured by. Our student body has a total of 99 with no classes larger than twelve students. Teachers and aids total eighteen. Christian based lessons include social behavior, math, reading, science, computers, and two scoops of love. Rocky actually thought that might better be measured as three or four scoops of love as virtually every student played, hugged and petted him - even some timid students who were a little nervous about regular dogs. Of course, Rocky trusted the Lord because he knew that not every dog has attended Lutheran Catechism classes.

Rocky's (retired) engineering companion and co-reporter was amazed at the efficient way the TLC school used space around the church and the former homes on the KOG campus. Each classroom was right-sized, open, and yet intimate enough that students were never out of view - especially with multiple teachers for our younger students. Even separate classrooms were near enough to permit cross-class support. Rocky's only disappointment was that our interview day was a rainy one. So he did not get to inspect the wonderfully equipped playgrounds and lead an outdoor physical education class. Rocky Reporter strongly believes in physical education. Even so, he was able to lead an "impromptu" dance class where the students demonstrated their "moves" while Rocky danced around them and barked dance steps. Debby Smithson, TLC Director, invited Rocky back. Next time, Rocky hopes to see, test and evaluate the playground equipment. However, Rocky admits that it may have worked out better to plan to come back again to report on the playground. Our time meeting with all the teachers and students was nearly the full pre-school day from 9:00 a.m. to 12:00 noon. Spending so much time with everyone allowed Rocky to learn much more about them.

In this visit, Rocky taught all the students to play "fetch" with one of his favorite exercise toys (Wilber, the stuffed duck). Rocky gave all the students an "A" in fetching and encourages them to practice longer throws. Some of the advanced students also learned "tug-of-war." Rocky was also impressed with the good Christian manners of the students - each taking their turn and helping those who were timid and shy. A very few, had fun watching the others play while they gave a hug to the teacher in case the teacher was nervous about dogs. Sometimes teachers just need a good hug - especially good teachers.

Speaking of good teachers, Rocky was so impressed that most our TLC have advanced degrees in education or early child care.

Rocky asked each class what their favorite part of the class was. There were some expected and some unexpected answers. The expected answers were playtime, playground, and crafts. The unexpected answers were math, reading, music, computers, Chapel, and especially the "Rainbow Room." Little did Rocky realize that God's rainbow promise to us after the flood has now been extended to Christian teaching in the Rainbow Room. Rocky wants to thank everyone for a wonderful visit and the love they showed. We also thank the Lord for the wonderful teachers so filled with the Holy Spirit. Amen

October 2011 Congregational Council Notes

The meeting was called to order at 6:50 p.m. with Frank Fleischer presiding.

The meeting was preceded by dinner served by Pastor Cook to all council members. The meeting opened with devotion from Isaiah 26:1, 6-9, led by Pastor Cook.

Present: Chuck Barringer, Gerry Blake, Frank Fleischer, Nancy Fleischer, Tony Hernandez, Jeanne Millar, Grace Spainhour, Helen Wiles, Pastor Cook, Debbie Morris, Don Pasquine, Gil Sams, and Calvin Riley. Vaughn Stanaland attended during the treasurer's report. Excused: Vickie Graif. Vickie has resigned from Council because of conflict with her work hours. Council has decided not to replace Vickie until elections this January.

The minutes from the September council were approved as written. The minutes from the Special Meeting on August 22, 2011, to discuss the bequest were approved as written.

COUNCIL ACTIONS Action items were reviewed and discussed from the Council Action list.

New Action Items: Each ministry teams should submit a budget request for next year. Frank will send a copy of the Excel spreadsheet and also request input from Dick Peyer for Stewardship.

Teams are asked to submit up to date estimates for the items requested in the bequest that have not already been purchased.

TREASURER AND FINANCE REPORT Finance Report was **approved** for August as submitted. September report is pending; once received may be approved via email during October. Payment will be made to Synod Mission Support for October based on offering received in September. Finance was asked to supply an accounting of the bequest monies received and funds expended to date.

PASTOR'S REPORT No written report for September.

CARE TEAM CONCERNS Names on the caring list were reviewed. Please volunteer to support driving Barbara Shilling to her appointments if you can.

Property Ministry Team – Approximately twelve chairs need to be repaired. Two have been repaired. Property needs additional funds to complete repairs on all the chairs.

Property may repair all the chairs at \$75 per chair with no greater than \$900 in total repairs. **Approved.**

OLD BUSINESS

35TH Anniversary - Seventy-two people have signed up to date. Council members please remain after the event to help cleanup. This item is closed.

Church Directory - Tony is still working on completing this project. All releases have been received and pictures have been taken. Ninety-two families participated with Olan Mills, and eight additional families were photographed independently. There will be one more "look" over it with Olan Mills and then it will be printed. Pastor is writing a letter to the congregation for the front of the directory. It would be nice to include a picture from the 35th Anniversary Celebration if it is at all possible. The type of binding was discussed.

Bequest Progress - We need the teams to affirm an estimate for bequest items that remain to be accomplished.

NEW BUSINESS

Football Dinner - The football dinner for the NMB High School JV football team has been set for October 27th. Everything is ready to go for this event.

King of Glory Website - Gil asked council members to make any recommendations or suggestions as to how to improve the website. Please contact him through email. Does your team want their own webpage and if so what do you want on it? People are sorting through pictures to identify what should be up on the site. Evangelism team will provide oversight on what is being posted on this site.

Guest Preacher - Stefan Sultanov, a seminary student from Bulgaria is working in the community here with international students. He is affiliated with Coastal Samaritan Counseling Center. Pastor Cook has requested that we give him an opportunity to preach at KOG. (He has already preached at Ocean Drive Presbyterian and All Saints Episcopal churches.) Motion to invite Stefan to preach was **approved** for Thanksgiving weekend, Sunday November 27th.

October Congregational Council Notes continued

Fund Raising - Several teams have needs that are not supported in the budget this year. The council discussed the potential of raising funds for these special needs. The General Offering is used to support whatever the teams need and these needs should be submitted in the budget requests for 2012. Raising funds in the community must be for benevolence and have a higher purpose than supplementing the general fund. Fund raising can be done to support a charity other than the King of Glory Church. Each case must be treated independently, discussed and then voted on.

Three cases were discussed. (1) Social Ministry needs money to support the homeless shelter and soup kitchen. (2) Quilters need sewing supplies and postage to distribute quilts. (3) Fellowship Ministry team needs items for the kitchen. It was noted that the kitchen needs should be done by ordering supplies through the front office against the budget allocated for the year. Pastor Cook will send a copy of the ELCA guidelines on this subject to each council member. Further discussions will ensue after each council member has had the opportunity to read the guidelines provided.

Flag in Church Sanctuary - Questions have been raised about why we do not have a flag in the sanctuary, believing that we should have one. ELCA has published guidance about displaying national symbols in the sanctuary. Each council member will need to review this guidance before continuing this discussion. Council would like to take this concern into the Council Listening portion of next meeting and would like the names of individuals who are concerned about the lack of a flag in our sanctuary so that concern can be addressed.

Church Roof - Leaking continues. Tracy has repaired the major leak in the flat roof. His inspection revealed issues with the roof over the sanctuary. It is aging and missing shingles in places. Council has asked Property to get a new quote for roof repair and bring this up again at the next council meeting.

Nominating Committee - It is coming time for nominations of new council members to be formed. The nominating committee will be Pastor, Frank, Gil, Chuck and Vickie.

Council members will support the Soup Kitchen, October 28. Football dinner is October 27. Next council meeting will be Tuesday, November 15 at 6:30 p.m. with Gerry Blake presiding.

Meeting was adjourned at 8:50 PM, ending with the Lord's Prayer.

Enjoy the Convenience of Electronic Giving and "Go Green"

King of Glory Lutheran is pleased to announce an electronic option for making regular offerings. Contributions can now be debited automatically from your checking or savings account. Our new electronic giving program offers convenience for you and consistency for donations from our congregation.

Go to www.koglutheran.com at any time to set up an automatic donation plan, change your donation plan, make a one-time donation or view your online donation history. Just click on the red button **Online Giving**.

If you are currently giving on a weekly basis, you will no longer need to write out fifty-two checks a year or prepare fifty-two envelopes. And, when travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue on an uninterrupted basis. Your contribution may be *onetime* or *weekly* or *monthly* or *bi-monthly*.

Churches, because of their heavy weekly check volumes, were among the earliest organizations to embrace electronic giving as a way to automate contributions. Today, electronic giving, in all its forms provides convenience for frequent check writers and donation consistency for churches. A less frequently discussed benefit of electronic giving is its positive impact on the environment. An enormous amount of natural resources are consumed in the production, transportation, processing, and disposal of paper checks. That's why paying bills electronically always ranks high on any list of actions an individual can take to improve the environment. The trend toward electronic payments has already produced more than a 50% decline in check use since the year 2000. As you consider the payment method you use to make your regular offering, we hope that you will think about the unique connection between financial stewardship and environmental stewardship.

A "Frequently Asked Questions" flyer is on the bulletin board. If you have any more questions or need more information, contact Chuck Barringer, at 843-957-0632. If you still wish to put something in the offering plate on Sundays, you can write "EFT" for the amount on your offering envelope and drop it in the offering plate.
